

Location of Notes on the Guitar Fingerboard

E F G A B C D E F G A B C D E F G A B C D E

The image displays a musical staff and a guitar tablature. The musical staff shows a sequence of notes: E, F, G, A, B, C, D, E, F, G, A, B, C, D, E, F, G, A, B, C, D, E. The guitar tablature below it shows the fret numbers for each note on the strings. The strings are labeled T (Top), A, and B (Bottom) from top to bottom. The fret numbers are: 0, 1, 3, 5, 7, 8, 10, 12, 13, 15, 17, 19 for the B string; 0, 2, 3, 5, 7, 9, 10, 12, 14, 15, 17, 19 for the A string; and 0, 1, 3, 5, 7, 8, 10, 12, 14, 15, 17, 19 for the T string.

The above staff shows the notes in standard music notation and the various locations that those notes can be found on the guitar fingerboard.

You can use this chart to help locate notes on your guitar. Some notes are only found on one string, while others can be found on two or more strings.

If you are new to reading tablature, the bottom line represents your lowest sounding string. This is called the sixth string.

Have fun with this and keep progressing!
